The screenshot shows the TransWorld Snowboarding website interface. At the top is a navigation bar with links for VIDEOS, PHOTOS, GEAR, BLOG, HOW TO, CALENDAR, GIRLS, and TWSNOW+. Below this is a secondary navigation bar with links for LOGIN, IN COLOR, TEAM SHOOT OUT, 2011 GOOD WOOD, FOLLOW US (Facebook, Twitter, YouTube), and a SEARCH box with a GO button. The main content area features a news article titled "Brian Head Resort Is Open!" with a "SUBSCRIBE 63% OFF + FREE GIFT" button. The article includes a photo of a snowy mountain slope and a caption stating that lifts 2, 4, 5, and 6 will open on Friday, Nov. 26, while lift 3 continues to operate. To the right of the article is a "RELATED ARTICLES" section listing several events and resort openings with their respective dates. A "GATORADE FREEFLOW" banner is also visible on the right side of the page.
