

The screenshot shows the OnTheSnow.com website interface. At the top, there is a navigation bar with the site logo, a search bar, and links for 'Find A Resort', 'News', 'Community', 'Prizes', and 'Gear Guide'. A secondary navigation bar includes 'English (US) (Change)', 'Log In or Register for FREE', and 'and start earning rewards.' Below this is a banner for 'SO DOES ALTA 540" OF SNOW' and 'UTAH LIFE ELEVATED'. The main content area features a news article titled 'Brian Head Ticket Options Reach 'Different Demographics'' by Andy Dennison, published 15 hours ago. The article text discusses seasonal ticket price reductions and the introduction of new passes like the Buddy Pass and Freedom Pass. To the right of the article is a sponsored advertisement for Park City Mountain Resort, promoting a 'Family Value Package' with a 'book now' button. Below the article is a photo of a young skier and a caption: 'Young skier cruises powder at Brian Head.' The bottom of the page shows a Windows taskbar with several open files and a download tray.
